

Dear Voter,

Here is the official form to request your absentee ballot. You're almost done!

Follow these steps to request your ballot right away.

**1 Complete the form**

The form is only partially filled out. Carefully complete all fields. Instructions are on the back of the form.

**2 Sign and date carefully**

Your signature may be checked against your state ID, so be sure to sign carefully.

**3 Tear off the address slip**

Place the address slip and completed form in the stamped return envelope. The address should be visible from the outside.

**4 Mail it today**

**What happens next?**

It usually takes a couple weeks for your form to reach your local election clerk and to be processed.

An official ballot will then be mailed to you a few weeks before the election. You will need to complete this ballot (vote!) and return it by mail or by dropping it off at an official drop box or at your local election office.

You can check the status of your absentee ballot by visiting this web site:
